GEAR (PTY) LTD

COMPANY PROFILE

---

## ABOUT GRAVITY

Having started out as a support function to our sister company Gravity Training, our practical experience in work at height safety training places us in the unique position of deeply understanding your equipment needs. Combined with our determination to save lives, we are driven to innovate, source and manufacture trustworthy, superior-quality equipment in partnership with world-leading brands, resulting in our own custom comfortable, high-quality Gravity Gear - work at height products.

As the owner of our own Gravity Gear brand and being the appointed Sub-Saharan African distributor of the international CAMP Safety brand, our commitment to servicing the work at height sector on a global scale has established Gravity Gear as a market leader in Africa and beyond.

It is a point of pride for us to ensure that we first understand your specific needs, offer advice as to what we believe would best serve your interests and then tailor your equipment solution accordingly. Our team stands at the ready to meet with you, listen to your needs, and to partner with you in our mutual commitment to making sure you and your technicians get back down safely.

## OUR SERVICES

Gravity Gear specialises in supplying a full range of PPE for all your work at height needs:

- Fall Arrest
- Rescue
- Rigging (Rope Rigging & Mechanical Lifting)
- Rope Access

Whether you are located internationally or within range of our venues or satellite branches, do not be concerned. Gravity Gear has your delivery sorted - kindly contact any one of our friendly sales consultants for more information. We will gladly advise and discuss solutions and possibilities.
